

Table Saw

2704 255mm (10")
260mm (10-1/4") (CE)

Satisfy professional's needs

Europe, Middle East, Africa
South America, Asia

À table!

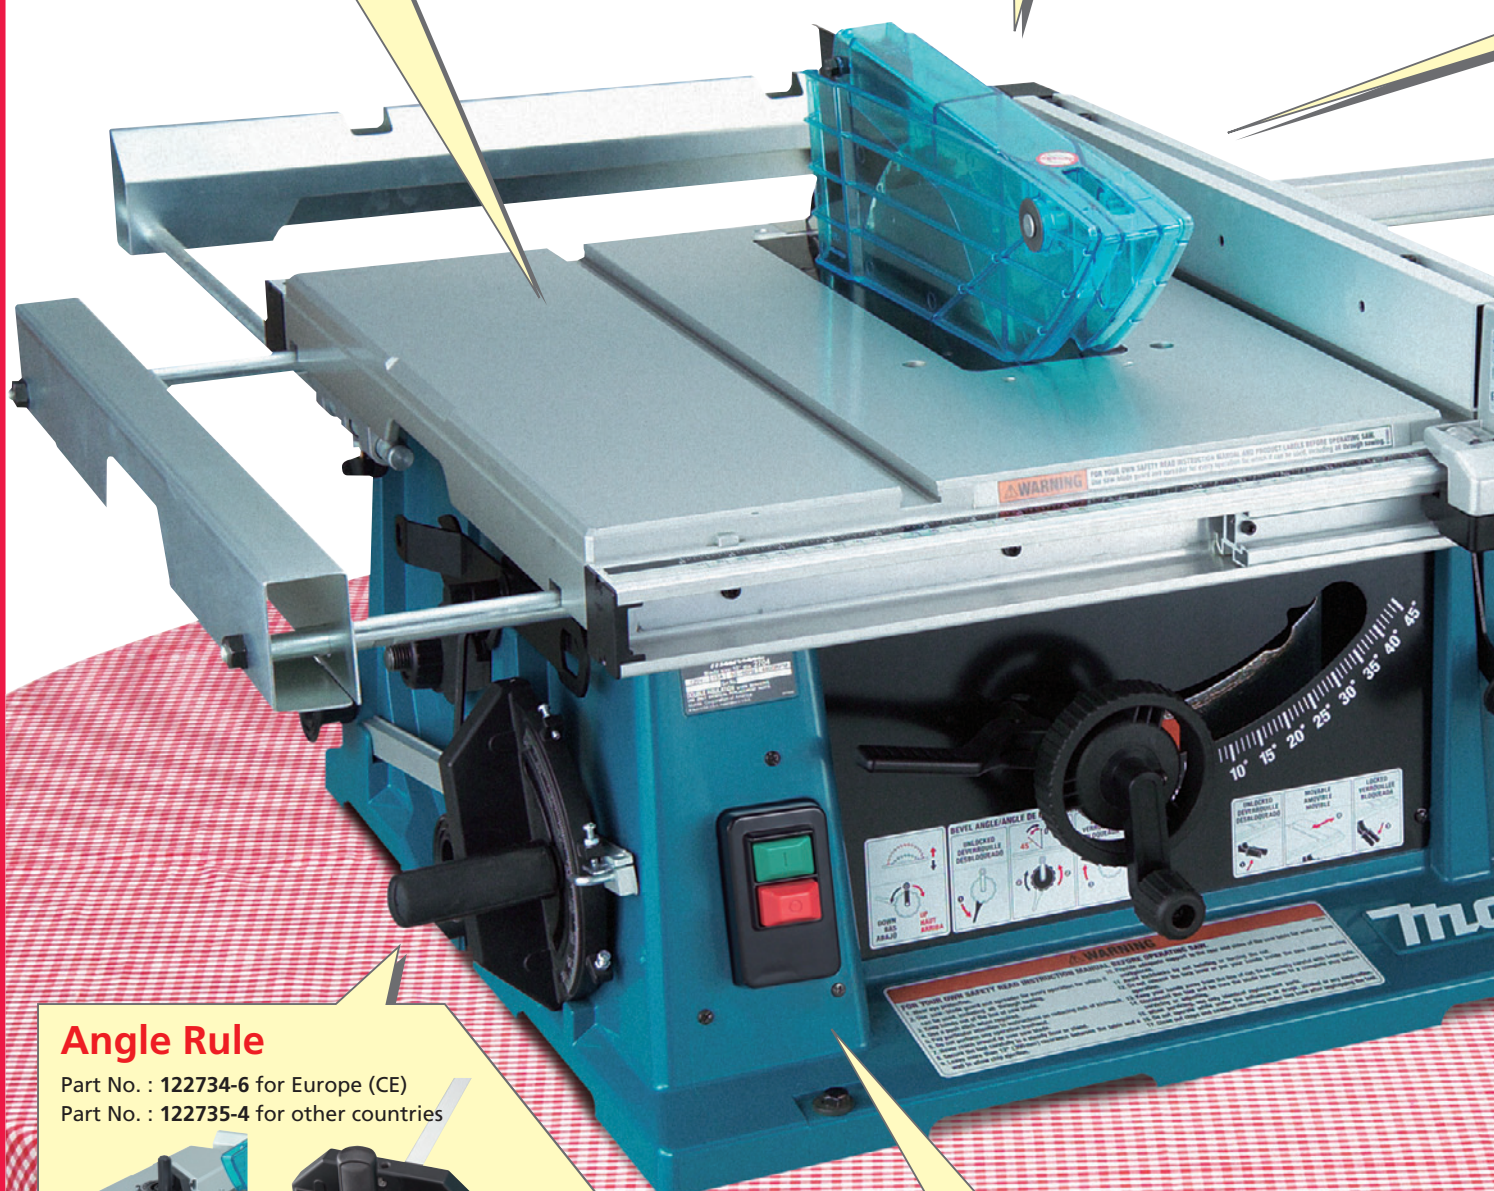

Bon appétit!

Machined Table Top

:: provides increased flatness for high precision cutting.

Powerful Motor

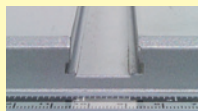

Angle Rule

Part No. : 122734-6 for Europe (CE)
Part No. : 122735-4 for other countries

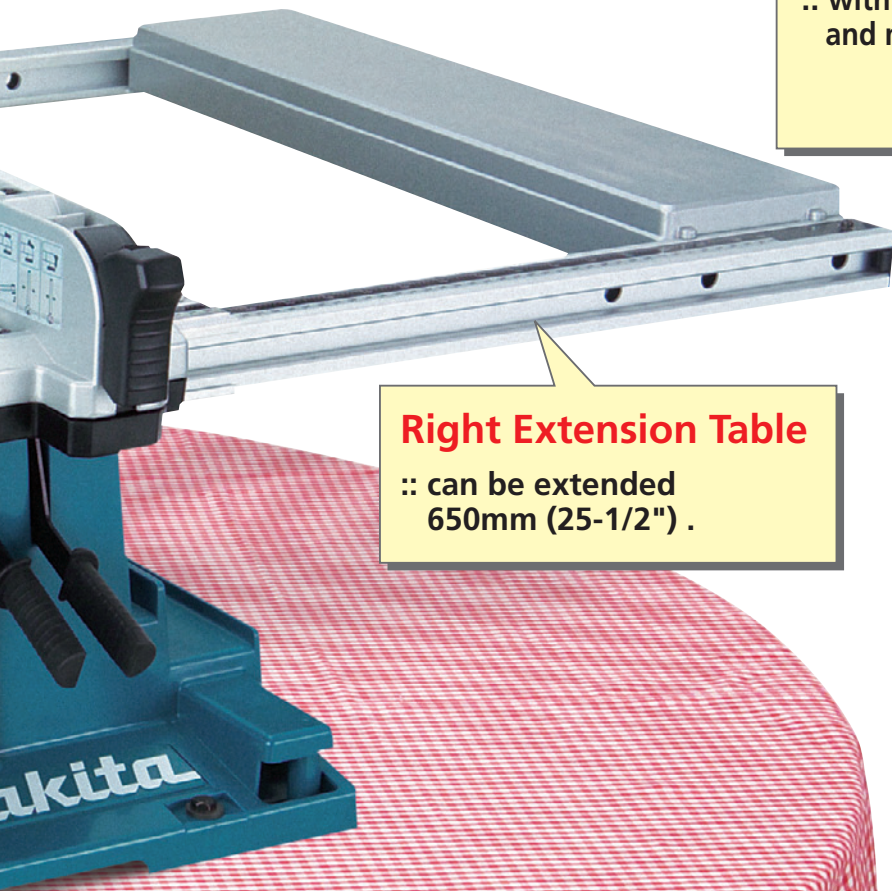

T-Slot Miter Gauge Grooves

:: securely support workpiece even in wide crosscutting operation.
9.5 x 19mm (3/8"x 3/4") T-slot size allows for use of various commercial accessories.

Large On-Off Switch

:: with soft start feature for 220-240V units and 110V (UK only) units.
:: with anti-restart device for China and Europe (CE).

Right Extension Table

:: can be extended 650mm (25-1/2") .

Rip Fence Part No. : 122740-1

:: smooth operating with high accuracy.

Easy-to-Read Scale

:: with large graduations and magnifying lens.

Rear Extension Table

Part No. : 194087-3

:: standard equipment for Europe (CE).
:: option for non-CE marked products.

Left Extension Table (Option)

Part No. : 194086-5

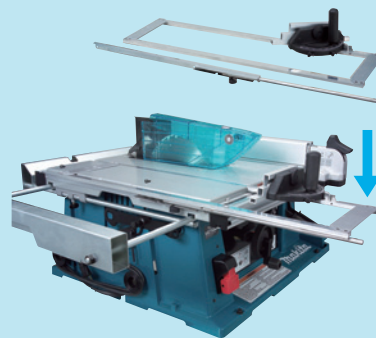

Storages

:: for saw blade, power supply cord, angle rule, rip fence, push stick, wrench and safety guard.

Sliding Guide (Option)

Part No. : 194241-9

:: for high precision cutting of bigger material.

à la carte

Wheeled Table Saw Stand

Parts No. : 194093-8

Net weight : 24kg (53lbs)

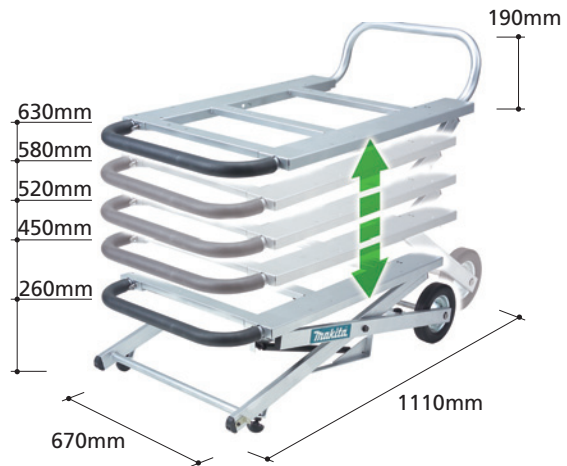

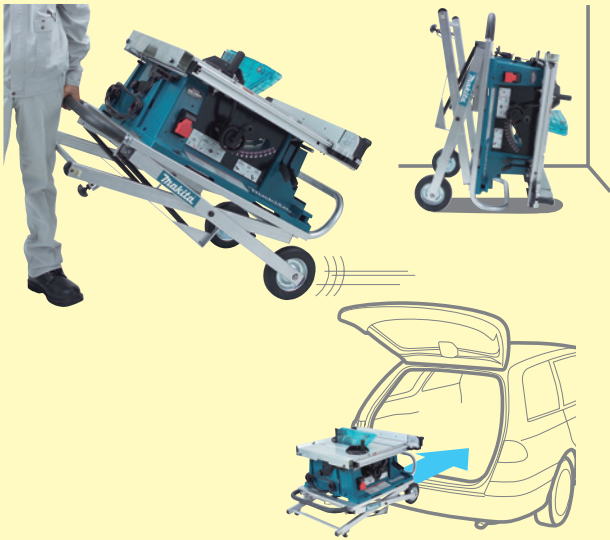

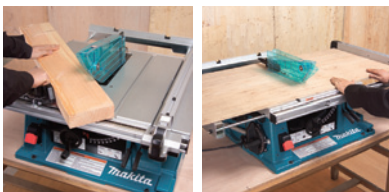

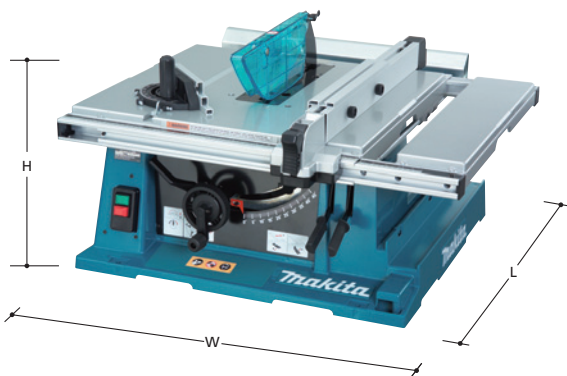

Table Saw

2704 255mm (10")

153

-  Double Insulation
-  Electric brake
-  Soft Start
220-240V units
110V(UK) only

Specification

Continuous rating Input Capacity	1,650W at 90 degrees : 91mm (3-5/8") / 93mm (3-5/8") (CE) at 45 degrees : 63mm (2-1/2") / 64mm (2-1/2") (CE)
Blade diameter	255mm (10") / 260mm (10-1/4") (CE)
Hole Diameter	15.88mm (5/8") / 30mm (1-3/16") (CE)
No load speed	4,800rpm
Bevel cutting capacity (degrees)	-0.5 - 45.5
Dimensions (L x W x H)	: 665mm x 766mm x 344mm (26-1/4" x 30-1/4" x 13-1/2") : 760mm x 766mm x 344mm (CE) (30" x 30-1/4" x 13-1/2")
Net weight	29kg (64lbs) / 34 kg (75lbs) (CE)
Power supply cord	2.5m (8.2ft)

Standard Equipment

T.C.T. Saw Blade, Rip Fence, Angle Rule, Wrench 19, Socket Wrench 13-22, Push Stick
